10 pen drawing techniques and tips Creative Bloq

Ink wash is like a hybrid inking and painting technique done with a brush instead of a pen. Value is controlled by your ink to water ratio the more ink or less water, the greater your value. Start with your brush dipped liberally in ink so it collects on your paper. Paint by pulling the ink puddle across the page.

Watercolor or Pen and Wash Painting With Watercolors

First I did the drawing using a dip pen and permanent black ink. Very little shading was carried out with the ink which was used for outlining the scene only. I did, however, vary the pressure on my pen to give more character to the lines, especially in the sky. Once the ink was fully dry I laid a light watercolor wash over the whole painting

Wash visual arts Wikipedia

A wash is a term for a visual arts technique resulting in a semi-transparent layer of colour. A wash of diluted ink or watercolor paint applied in combination with drawing is called pen and wash, wash drawing, or ink and wash. Normally only one or two colours of wash are used; if more colours are used the result is likely to be classified as a full watercolor painting.
